Dear Sathish,

Congratulations on being elected President of the India Association of St. Louis!

The Second Congressional District is fortunate to have such a vibrant and engaged Indian American community, and I am encouraged by the strong relationship that the United States and India share – a relationship forged by our common values and our common commitment to democracy. I am so proud to represent many from our region's Indian American community in Congress and to fight for policies that improve the quality of life for people across our district.

I have no doubt that you will be an excellent president, and I am certain that the India Association of St. Louis will continue to thrive under your leadership. Congratulations again, and I wish the best in your new role!

Sincerely,

Ann Wagner
